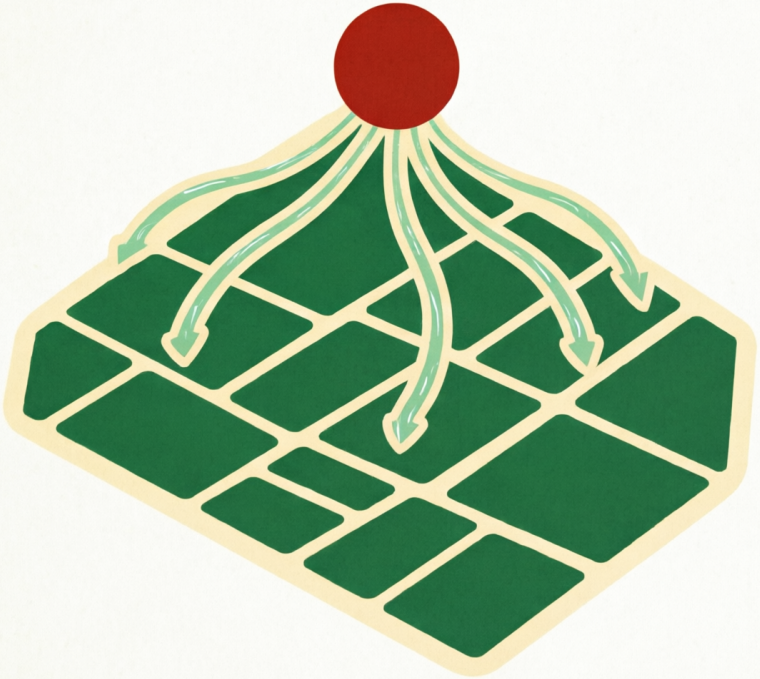
Same 17,001 Cr, Better Aim

EN | বাংলা

Fiscal Foundation

Tk 17,001 Cr subsidy; 42.5 lakh cards planned



Distribution Gap

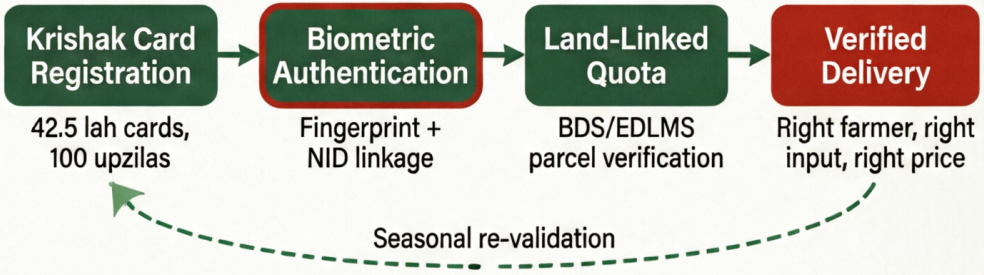
Top 20% get ~50%; bottom 40% get ~15%

Source: World Bank assessment of Bangladesh fertiliser subsidy distribution.

Scale Krishak Card

22,065 farmers validated; 42.5 lah by FY27

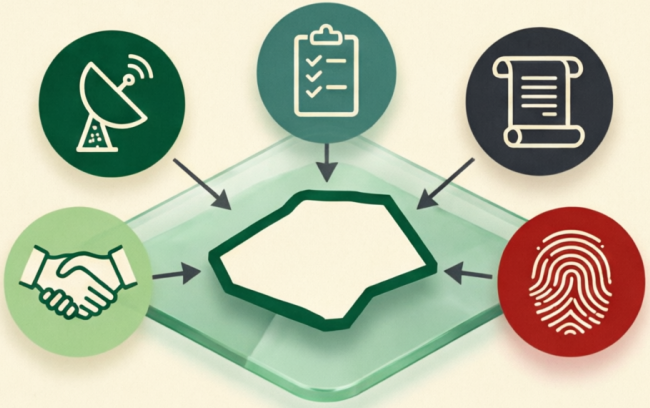
Tk 17,001 Cr / Year



Registry Becomes Living Map

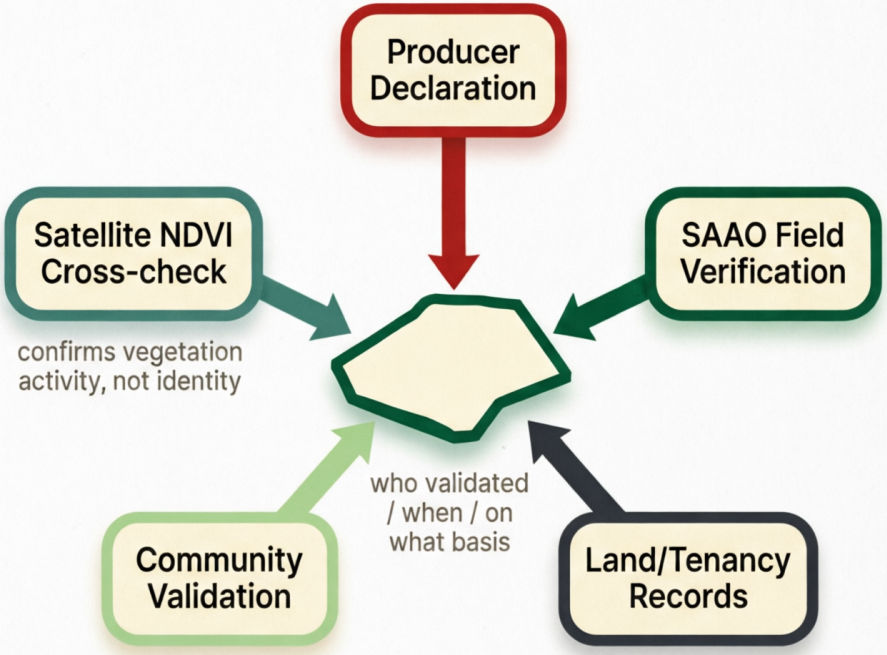
Validate each season

Ownership differs from production; re-verify as crops and tenancy shift.



Pilot to national scale

22,065 farmers in 11 upazilas; scaling to 42.5 lakh Krishak Cards. **42.5 lakh Krishak Cards**



Trust at the Point of Sale

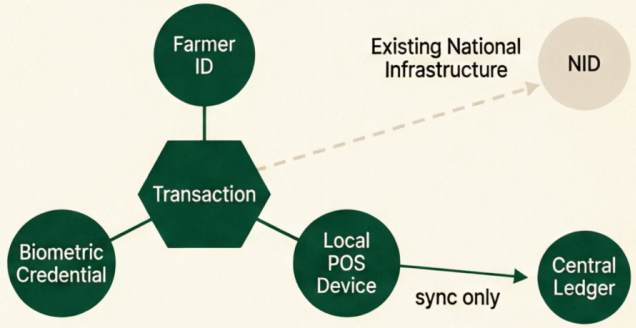
EN | বাংলা

Trust Earned in Under Ten Minutes

US$8.78 per farmer in the KrishiChain pilot.

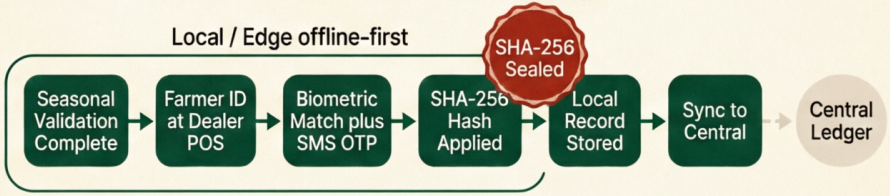
Minimise Data, Secure the Key

Farmer ID links to NID only when needed.



Authenticate, Hash, Store Locally

SHA-256 seals each record; offline-first sync.



Dealer Auth Protects Subsidy

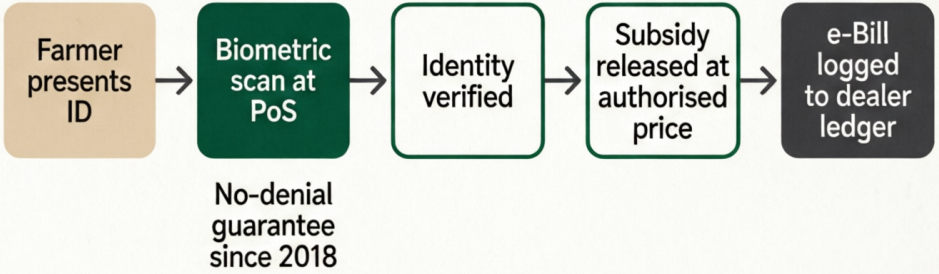
EN | বাংলা

Evidence at Scale

Krishak Card and NID give Bangladesh the identity rail to replicate this.

Authenticate at the Counter

Subsidy releases only after biometric match — prevention, not audit.



287,000 retailers,
84 crore farmers

Asia Validates Three Levers
